Deakin University undergraduate academic admission requirements

Deakin degrees have entry requirements that you will need to meet in order to gain entry into the University.

Using the academic admission requirements table

The following table details the academic admission requirements for entry into Deakin undergraduate degrees. Review the table for the qualification most relevant to your secondary school studies. Some qualifications will require you to make a quick calculation to convert your results into scores that Deakin will use to assess your application. Use the footnotes below the table to learn how to calculate your total score.

If your country is not mentioned

If your academic results or country of origin are not mentioned on these pages it does not mean that you are unable to apply to Deakin. Our Admissions Team can assess your academic scores and other achievements upon submission of your application.

If you do not meet the requirements

If you are not sure whether you meet the academic admission requirements for a Deakin degree, there may still be a pathway available for you to study at Deakin in the future. Visit **deakin.edu.au/study/entry-pathways/deakin-college** to learn about the alternative pathway options to Deakin.

Select countries not in the table

China entry requirements – Gaokao (高考)

Gaokao students who meet the higher Tier One university cut off score for their province will meet the academic requirements for entry into most Deakin undergraduate degrees.

Canada entry requirements

Applicants must achieve a minimum of five Grade 12 credits. All applications are assessed individually based on specific provincial and territorial level and credit requirements.

New Zealand NCEA requirements

Applicants must have a New Zealand University Entrance certification and a minimum of 80 credits, including at least 60 credits at Level 3 or higher on the NZ qualifications framework, and an achievement of the University Entrance (UE). For more information visit nzqa.govt.nz/qualifications-standards/awards/university-entrance.

Legend

GE	Graduate entry	Online	0
No offer	No offers made to recent secondary education applicants	Melbourne Burwood Campus	B
RC	Admission is based on a range of criteria	Geelong Waterfront Campus	WF
NP	Not published – less than five offers made to school-leaver applicants.	Geelong Waurn Ponds Campus	WP
		Warrnambool Campus	WB

Footnotes

[1] The ATAR score presented here is the 2024 score and should only be used as a reference for 2025. Please note, clearly-in ATAR scores can change from year to year. Missing ATAR scores indicate new courses commencing in 2025.

[2] Students must complete at least five subjects (four core and one elective).

[3] To calculate eligibility, total up results of best three A-level subjects, where A=5, B=4, C=3, D=2, E=1. You must complete a minimum of three A Levels.

[4] To calculate eligibility, total up results of best three A-level subjects, where A=5, B=4, C=3, S=2. You must complete a minimum of three A Levels.

[5] The score presented here is the minimum total score from best of five subjects. Total of the best five subjects (Category A and C only - Category B not to be used in calculation) as awarded on the official final academic transcript issued by Hong Kong Examinations and Assessment Authority (HKEAA).

[6] High school mathematics is an entry requirement of this course.

[7] The requirement of the Australian Government is that all teaching graduates must pass the Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE) in order to teach. Students must pass the test to graduate from the course. Visit **teacheredtest.acer.edu.au** for more information.

[8] Students enrolling in this course will need to pass CASPer, an online test used to assess the personal attributes of applicants to initial teacher education courses. For more information visit **deakin.edu.au/ug-casper**.

[9] Students who apply for this degree will be ranked on academic merit and qualifications, this means those who meet entry requirements will not be guaranteed a place.
